Between midnight and 7 a.m. the time-based charge is 0.50 €/h for all vehicle categories. The total amount is composed of the time-based charge plus kilometer-based charge. The charges contain all fuel costs, the vehicle insurance and VAT.

	Deposit**	One-off starting price	Monthly base rate
<b>Registration</b>	€ 100	€ 25	€ 9

Please note our **special conditions!**

For private customers, the amount of deductible on the customer's account is € 1,500 maximum. The amount can be reduced if the customer buys a safety package. For this and other terms please see the price list **Other costs, deductible and safety package.**

\* You can register a friend or acquaintance as a plan partner under your contract. This person will then receive his/her own customer card and will be able to book and use the vehicles like any other customer. The invoicing of the car usages will be made on one joint invoice. Your plan partner has to pay the starting price but no additional deposit and no monthly rate.

\*\* Will be refunded when contracting out.
